

**October 25,
2023**

1:00pm - 5:00pm PT

This free online training is offered by bulletpointproject.org

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University of California, Davis, Health (UC Davis Health) and the BulletPoints Project.

UC Davis Health is accredited by the ACCME to provide continuing medical education for physicians. The BulletPoints Project is approved by the American Psychological Association (APA) to sponsor continuing education for psychologists.

Virtual Train the Trainer Workshop on Clinical Firearm Injury Prevention

4.25 CE Credits (*AMA PRA Category 1 Credits™* and APA Credits) available

Are you a clinician educator who'd like to learn more about preventing firearm injury so you can incorporate these skills into your teaching? In this training, you will learn how to assess when a patient is at risk of firearm injury, how to have respectful and culturally appropriate conversations about their access to guns, and ways you can intervene to reduce that risk. You'll also learn how to incorporate these skills into your clinical supervision and classroom teaching!

Please fill out this brief survey by September 29th to receive the registration link:
